

Studies in Poltergeists, Obsession, Possession: Institute for Hermetic Studies Monograph Series (Paperback)

By Mark Stavish

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Studies in Poltergeists, Obsession, Possession is a groundbreaking exploration of modern and contemporary research into the bizarre and often terrifying realms of the paranormal. Using modern and traditional studies, the causes and cures of the more extreme of areas of hauntings, spirit presence, and even possession are explored in detail. Topics include: the famous Rain Man Case, age and gender considerations, metaphysical and religious bias, geographical influences, media and governmental influence, and parallel concerns with UFO contacts. This monograph is ideal for anyone interested in areas of spirit contact, psychic research, practical occultism, as well as mental health professionals.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
