Design Media Publishing Limited, Hong Kong, 2014. Hardback. Condition: New. Language: English . Brand New Book. In the long period of adapting to social development, museums have become cultural complexes with multiple functions. With the development of society, the functions of museums are also changing constantly, while new functions, new forms, new solutions and new collections emerge continually. With the development of social culture, science and technology, the quantity and types of museums are increasing. Combining with the development status of museums in different regions, this book introduces features of contemporary museums and summarises design features and standards in various aspects of architectural design, interior layout, lighting design, etc. It is a quality reference for architects and other professionals in the field of architectural design.
