Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Poisoned Pen Press, Scottsdale, Arizona, 2005. Hardcover. Condition: New. Dust Jacket Condition: Very Good. First Poisoned Pen Press Edition as Stat. Mylar protected dust jacket. The dust jacket has some slight flaws but the text and cover are in new condition. "Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there'd be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him, the pressure of dawn's late light at windows and door, traffic sounds from the interstate nearby, the sound of someone weeping in the next room. Thus begins Drive, a new novella by one of the nation's most respected and honored writers of noir fiction. Set mostly in Arizona and L.A., the story is, according to Sallis, ".about a guy who does stunt driving for movies by day and drives for criminals at night. In classic noir fashion, he is double-crossed and, though before he has never participated in the violence ('I drive. That's all!'), he goes after the ones who doublecrossed and tried to kill him."
