The twenty-seventh volume of fol/e-lore has been issued during the year. Owing to the increased cost of paper and labour, the Council have found it necessary to limit the Size of the volume and to dispense with illustrations as far as possible. Nevertheless, they believe that it will be found to maintain its usual high standard of excellence. A deep debt of gratitude is due to Mr. Crooke for the work he has bestowed upon it, notwithstanding his recent bereavements. The Council are glad to have his assurance that he will continue to act as Editor during the coming year. They have recently had offered to them for publication a collection of folk-tales of Formosa made by Mr. S. Ishii, who has Spent fifteen years in the island since its acquisition by Japan.
