Gildan Media Corporation, United States, 2015. CD-Audio. Condition: New. 3rd ed.. Language: English . Brand New. They Say / I Say demystifies academic writing by identifying its key rhetorical moves, the most important of which is to summarize what other have said (they say) to set up one s own argument (I Say). The audiobook also provides templates to help students make these key moves in their own writing. This version includes readings that demonstrate those moves - and provide stimulating conversations for them to enter. The Third Edition includes an anthology of 44 readings that will provoke students to think - and write - about five important issues, including two new ones: Is Higher Education Worth the Price? and Why Does It Matter Who Wins the Big Game?.
