

## The Myth of Morgan la Fey

By Kristina PĂ rez

Palgrave Macmillan. Hardcover. Condition: New. 280 pages. Dimensions: 8.6in. x 5.8in. x 1.0in. Will the real Morgan la Fey please stand up The sister of King Arthur goes by many names: sorceress, kingmaker, death-wielder, mother, lover, goddess. The Myth of Morgan la Fey reveals her true identity through a comprehensive investigation of the famed enchantress evolution - or devolution - over the past millennium. Studying Morgans changing portrayal provides insight into fundamental gender dynamics that still inform the construction of self in the Internet age. Western culture consistently seeks to control female sexuality by splitting a womans identity into either a mother or a lover, i. e. a Madonna or a whore. Morgan continues to play a key role in diverse cultural zeitgeists because of her inherent duality, her refusal to let her identity be fractured. Inevitably, the tension between these two roles fuels Morgan la Feys descent within Arthurian legend from goddess to witch. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
