

TT Clark Handbook to Social Identity in the New Testament (Paperback)

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Bernie Mante PhD)

TT CLARK HANDBOOK TO SOCIAL IDENTITY IN THE NEW TESTAMENT (PAPERBACK)**DOWNLOAD**

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Combining the insights of many leading New Testament scholars writing on the use of social identity theory this new reference work provides a comprehensive handbook to the construction of social identity in the New Testament. Part one examines key methodological issues and the ways in which scholars have viewed and studied social identity, including different theoretical approaches, and core areas or topics which may be used in the study of social identity, such as food, social memory, and ancient media culture. Part two presents worked examples and in-depth textual studies covering core passages from each of the New Testament books, as they relate to the construction of social identity. Adopting a case-study approach, in line with sociological methods the volume builds a picture of how identity was structured in the earliest Christ-movement. Contributors include; Philip Esler, Warren Carter, Paul Middleton, Rafael Rodriguez, and Robert Brawley.
