He is also a royal, born heir to the powerful nine tail demon fox. His birthright is to rule his people, but instead, Hikari decides to escape his noble burden of leadership and enter the world of humans. There, he discovers excitement but also danger he never could have imagined. He is soon betrayed and captured with no means of escape. His hope is restored by the appearance of a reincarnated priestess. Miyako is a human who stumbled upon Hikari, not knowing of her own past incarnation. They form a close bond, but Hikari still isn't sure if Miyako is enemy or friend, destiny or downfall. The presence of a powerful yokai, or demon, awakens Miyako's dormant powers, but time is running out for Hikari. He must decide to trust Miyako or turn her away, even though she is possibly his only chance at safety. Danger lies in wait as Hikari embraces Miyako, but can their love save the pair from those who would harm them for their noble blood?.
