WARRIOR POLITICS (PAPERBACK)

[DOWNLOAD](#)

Random House USA Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In Warrior Politics, the esteemed journalist and analyst Robert D. Kaplan explores the wisdom of the ages for answers for today s leaders. While the modern world may seem more complex and dangerous than ever before, Kaplan writes from a deeper historical perspective to reveal how little things actually change. Indeed, as Kaplan shows us, we can look to history s most influential thinkers, who would have understood and known how to navigate today s dangerous political waters. Drawing on the timeless work of Sun Tzu, Thucydides, Machiavelli, Hobbes, among others, Kaplan argues that in a world of unstable states and an uncertain future, it is increasingly imperative to wrest from the past what we need to arm ourselves for the road ahead. Wide-ranging and accessible, Warrior Politics is a bracing book with an increasingly important message that challenges readers to see the world as it is, not as they would like it to be.
