Vintage Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. He s a hiring partner at one of the world s largest law firms. Brilliant yet ruthless, he has little patience for associates who leave the office before midnight or steal candy from the bowl on his secretary s desk. He hates holidays and paralegals. And he s just started a web-blog to tell the world about what life is really like at the top of his profession. Meet Anonymous Lawyer - corner office, granite desk, and a billable rate of \$675 an hour. The summer is about to start, and he s got a new crop of law school interns who will soon sign away their lives for a six-figure salary at the firm. But he s also got a few problems that require his attention. There s The Jerk, his bitter rival at the firm, who is determined to do whatever it takes to beat him out for the chairman s job. There s Anonymous Wife, who is spending his money as fast as he can make it. And there s that secret blog he s writing, which is a perverse bit of fun until he gets an e-mail from someone inside the firm who knows he s its author. Written in the form of a blog, Anonymous Lawyer is a fiendishly clever and hilarious debut that rips away the bland facade of corporate law and offers a telling glimpse inside a frightening world.
