*It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.*

The only place in the world that has more information about movies than Bill Mesce is Google, and when Google is stuck, it calls Bill. He loves and understands them: the classics, the disasters, where they have been and where they are headed. He is an incredible writer and takes you into them in a way that opens new understanding of why they are the way they are and how they got that way. The next best thing to going to the movies is to read what Bill Mesce has to say about them. Bill Persky, Five-time Emmy Award-winning writer and director *The Dick Van Dyke Show*, *The Bill Cosby Special*, *Kate and Allie*, and creator of *That Girl*. Smart, insightful and often funny, Bill Mesce's essays are the best reminder I can find in print of why I love movies. Whether one knows the films he writes about well or just a bit, it's a joy to have Bill take you into his world of movies. Josh Sapan, CEO and President, AMC Networks If you want the hidden story of the men and women who made Hollywood what it is today, the good the bad and the ugly, from an unconventional savant, then Bill Mesce's tour is the book for you. Jeff Bewkes, Chairman and CEO, Time Warner Bill Mesce's *Reel Change* is a book that any filmgoer, film lover, or film historian should read. It is full of smart and witty anecdotes and insightful historical commentary about the personal and emotional relationships to the magical and transformative experience that is watching movies.
