Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. What secrets does this treasure chest blueprint tell me that will help me right now? James asked himself. James has observed his older siblings struggling with daily problems. Since he wants to be a scientist and detective, he goes on a hunt for answers. In his parent s secret closet, he discovers the Treasure Chest Blueprint, which maps out the answers. He guides his younger brother, Mark, himself, and others to truths they can use for a lifetime (or at least the next day). The last page of text always has the question: Do you know what the treasure chest blueprint is? The Bible. The very last page has a child s art with the Scripture James read to solve the problem. Through this simple story-telling series beginning with forgiveness, and filled with charming illustrations, children s artwork humor, and real-life challenges for children aged four to seven, they learn how to solve problems through Scripture in a way they can understand. It builds a foundation to be supported through parental communication, Sunday school, and church youth programs so they see the practical application in their lives, and which can continue into adulthood.
