

Performing Television: Contemporary Drama and the Media Culture (Paperback)

By Elizabeth Klaver

University of Wisconsin Press, United States, 2001. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. Is it possible today to understand current genres such as drama and theater without considering the influence of television? Elizabeth Klaver argues that television's dominance of the entertainment industry demands a continual negotiation of subject position from all other cultural forms and institutions. By examining plays that incorporate televisual discourse from cameras and monitors to televisual style and structure *Performing Television* probes the turbulent relation contemporary drama has had to television and its negotiations for identity in a postmodern media culture. Klaver applies post-structuralist theories of subjectivity to drama while ranging through Beckett's plays, National Hockey League games, *The Tonight Show*, gay and lesbian drama, minority drama, avant-garde performance, and the topics of theatrical paranoia, the mediatized Imaginary, and the spectatorial gaze.
