

Creativity and Community among Autism-Spectrum Youth: Creating Positive Social Updrafts through Play and Performance (Hardback)

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

CREATIVITY AND COMMUNITY AMONG AUTISM-SPECTRUM YOUTH: CREATING POSITIVE SOCIAL UPDRAFTS THROUGH PLAY AND PERFORMANCE (HARDBACK)

[DOWNLOAD](#)

Palgrave MacMillan, United Kingdom, 2017. Hardback. Condition: New. 1st ed. 2016. Language: English . Brand New Book. This edited volume explores the roles of socially-channeled play and performance in the developmental trajectories of young people who fall on the autism spectrum. The contributors offer possibilities for channels of activity through which youth on the autism spectrum may find acceptance, affirmation, and kinship with others. Positive social updraft characterizes the social channels through which people of difference might be swept up into broader cultural currents such that they feel valued, appreciated, and empowered. These currents not only have an upward motion themselves, they also catch other elements in their draft and carry them up in their flow. A social updraft provides cultural meditational means that include people in a current headed upward, allowing people of atypical makeups to become fully involved in significant cultural activity that brings them a feeling of social belonging.
