Simon & Schuster, 2013. Soft cover. Condition: New. 1st Edition. Jan. 2013. Advance Uncorrected Proof. 1st ed. 1st printing. From the author of *The Rainy Season*. It was no surprise to Amy Wilentz when Haiti emerged from the dust of the 2010 earthquakes like a powerful spirit. Her book is about magical transformations. It is filled with raucous character: human-rights reporters gone awry, movie stars turned into aid workers, musicians running for president, doctors into diplomats, a former U.S. president working as a house builder, street boys morphing into rock stars, and voodoo priests running elections. Wilentz writes like a modern day Joan Didion. Mint in full color, glossy wraps. Language: eng Language: eng 0.0.
