His years of experience as a war correspondent influenced much of his writing. His most noted works were Gallagher and Other Stories (1891), Van Bibber and Others (1892), and Ranson s Folly (1902). My Buried Treasure begins, This is a true story of a search for buried treasure. The only part hat is not true is the name of the man with whom I searched for the treasure. Unless I keep his name out of it he will not let me write the story, and, as it was his expedition and as my share of the treasure is only what I can make by writing the story, I must write as he dictates. think the story should be told, because our experience was unique, and might be of benefit to others.
