The Oxford Handbook of Aphasia and Language Disorders (Hardback)

By -

Oxford University Press, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. What is immediately clear when meeting individuals with acquired brain damage is that the patterns of communication impairments vary in remarkable ways among these individuals. Aphasia and related communication disorders, while devastating life events for individuals who acquire brain damage, provide lessons of considerable interest to many clinicians and researchers trying to understand the brain's neurological and psychological complexity and develop methods to facilitate optimum recovery of lost language and communication functions following brain damage. The Oxford Handbook of Aphasia and Language Disorders weaves theoretical and neurological foundations with rational, motivated clinical approaches to assessment, diagnosis, and intervention for aphasia and related communication disorders. The contributing authors, experienced clinicians and scientists with strong backgrounds in neurological and cognitive neuropsychological theories, bridge theory to clinical practice, reviewing the extant literature in each aphasia syndrome while exploring implications for guiding clinical decision-making. Introductory chapters provide historical perspectives on the aphasia syndromes following left hemisphere brain damage, and review aphasia assessment across the decades. The bulk of the Handbook covers aphasia syndromes, with chapters that describe each aphasia syndrome in detail, including behavioral, neural, and cognitive neuropsychological...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
