Those covered up ancient paths of understanding that characterized the earliest believers in Yeshua and its community. Also, we will distinguish faith in the future age from our present day, and open an important gate of understanding. When exploring Institutional Christianity and Rabbinic Judaism, knowing how they forged their own paths away from the Kingdom is paramount not only to our study here, but the bigger picture of God s model plan for the future age. Our humble aim is to capture an aerial view of these movements. Find its impact on the direction that the early Church forged, and discover a deep and abiding relationship between the Jew and Gentile. Because there has long been a Biblical and prophetic connection that the Jewish people have to the nations, and the Gentile s have to the Jewish foundation of New Covenant faith.
