

The Language of Aikido: A Practitioner s Guide to Japanese Characters and Terminology (Paperback)

By Michael Hacker

Talking Budo, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Researched and written by a professional linguist with decades of experience as a student of Japanese language, culture, and martial arts-including living and training in Japan for 10 years- The Language of Aikido: A Practitioner s Guide to Japanese Characters and Terminology was designed specifically for students and teachers of the Japanese martial art Aikido, but will also be of interest to Japanese language enthusiasts who practice other martial arts such as Karate, Judo, Jujutsu, laido, and Kendo. Translating martial arts terminology using a standard Japanese-to-English dictionary is potentially fraught with cultural and contextual errors due to the specialized way that such terminology is used in a Budo study. Even dojo glossaries, while more specifically directed at relevant connotations of such vocabulary, are sometimes lacking in depth and historical and linguist context. Without the combination of a background in the Japanese language coupled with a serious study of Budo, proper understanding of the richness and full meanings of these terms can prove difficult to the non-Japanese speaker. This book attempts to address this problem by introducing the reader to historical and deep contextual information,...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde
