PARANORMAL MYSTERY: AUDIO STORIES PODCAST (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For weeks the group couldn't agree on the name. Some thought it should be Eternal Love. That name invoked positive feelings and explained to an extent the group's purpose. Others wanted the emphasis on the technical capabilities that the group was promoting. They gravitated towards the name Craft Embalmers. Several other names were suggested that had lower appeal. The members battled back and forth until in compromise and desperation they decided upon the name Alternative Death Care. Everyone agreed that the name fully captured the purpose and intent of the organization. Certified members became known as Deathers. Paranormal Stories for Mobile Devices are the original stories of the 2016 Audio Stories with J. B. Simien Podcast. This collection of stories includes paranormal mysteries, witchcraft, haunted houses, ghost stories, astral projection, demons, murder, confessions, battles with gods, tragic outcomes, supernatural horror and scary stories. There are more than thirty very short stories told from a first person perspective. The stories can be consumed quickly while on the way to work, on a break, or while waiting. They will pull you out of the now and expand possibilities. You all will enjoy reading them.
