

## Learn Java The Easy Way: A Hands-On Introduction to Programming (Paperback)

By Bryson Payne

No Starch Press,US, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Java is the world s most popular programming language, but it s known for having a steep learning curve. Learn Java the Easy Way takes the chore out of learning Java with hands-on projects that will get you building real, functioning apps right away. You ll start by familiarizing yourself with JShell, Java s interactive command line shell that allows programmers to run single lines of code and get immediate feedback. Then, you ll create a guessing game, a secret message encoder, and a multitouch bubble-drawing app for both desktop and mobile devices using Eclipse, an industry-standard IDE, and Android Studio, the development environment for making Android apps. As you build these apps, you ll learn how to: -Perform calculations, manipulate text strings, and generate random colors -Use conditions, loops, and methods to make your programs responsive and concise -Create functions to reuse code and save time -Build graphical user interface (GUI) elements, including buttons, menus, pop-ups, and sliders -Take advantage of Eclipse and Android Studio features to debug your code and find, fix, and prevent common mistakes If you ve been thinking about learning...
