### **Reviews**

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Juliet Mertz)

## A DANGEROUS PLACE (HARDBACK)

Harper, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The riveting, hilarious novel from the author of the postapocalyptic classic *Alas, Babylon*. A young newspaperman accidentally turns up the biggest story of his career: On a certain date in the not-too-distant future, there are no reservations in the maternity wards of any hospitals in New York. When the journalist's AP office checks other cities, he discovers that this alarming state of affairs is not just in the United States but in the entire world as well. A few months earlier, an accidental explosion in an atomic plant in Mississippi released an unknown form of radiation that turned Earth's men sterile with one notable exception. Mr. Homer Adam, who was at the bottom of a lead mine in Colorado at the moment of the explosion, is the only man unaffected by the atomic rays. Naturally, he is in great demand, and sadly, it's up to the government to decide what to do with him. One of literature's first responses to the atomic bomb, Mr. Adam remains an artifact of classic science fiction an equally biting satire and ominous warning to society that will resonate as deeply with readers today as it did when it was first published in 1946.
