Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Cladach Publishing. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 7.4in. x 5.0in. x 0.4in. When Jewish families were torn from their homes, neighborhoods and livelihoods, what happened to the animals that loved and depended on them? Here is a collection of never-before-told stories of pets during the Holocaust. Most of these accounts are told by men and women who were children during World War II in Europe. As they lost parents, siblings and friends in the death camps, their beloved pets provided comfort and courage, gave them a connection to happier times, and helped them to never give up hope. **ADVANCE PRAISE:** Susan Bulanda shares with us stories of love instead of hate, selflessness instead of selfishness. These stories speak to the spirit of hope in all humans (and animals). -Rabbi Loel M. Weiss This unique collection of deeply moving stories by Holocaust survivors reveals how the bond with their companion animals intensified and deepened during that dark, horrific night of carnage, betrayal, and terror, providing solace, warmth and love. These heart-braking and heart-warming stories add a hitherto unexplored dimension to our necessary knowledge of the Holocaust and cast new light on the indestructible, soul-sustaining nature of the human-animal bond. -Aviva Cantor, author and v. p. of C. H. A. I. (Concern for Helping Animals in Israel) These stories reflect the love and pleasure that pets provided to those who endured great suffering. Bulanda captures the deep affection between humans and their beloved companion animals. The stories are engaging and reflective, giving animals lovers pause. We will all hug our pets closely after reading these accounts! -Gayle M. Irwin, author of *Sages Big Adventure* and *Sage Learns to Listen* This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
