Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why am I here? Many seek answers to this question but few find any that are fully satisfying. A soliloquy from the play Man of la Mancha reads: I have seen men dying on the battlefield, their eyes filled with confusion, questioning why. I do not think they were asking why they were dying, but why had they ever lived. This book was written under the premise that life s deepest question, Why am I here? can be discovered each day. You will find a way of approaching life using wisdom that has been taught for centuries that provides you with an increasing ability to discover your place in the world. It may require some changes, but if you persist the result will be peace and purpose beyond anything you have previously experienced. Much like a global positioning system, it requires knowledge of where you are now and where you are going. Wikipedia says of global positioning systems (GPS): It provides reliable positioning, navigation, and timing services to worldwide users on a continuous basis in all weather, day and night, anywhere on or near the Earth. This book teaches an approach to life that might be called GPS or God s Positioning System.
