Accent Press Ltd. Paperback. Book Condition: new. BRAND NEW, Slave to the Machine, Aishling Morgan, For two years Xcite Books has been satisfying readers with its top quality short story collections. But readers wanted more .and now they have it with this first erotic novel from former "Nexus" author Aishling Morgan. Waking up from death, Melody J finds her personality has been copied and recreated as a computer game character to satisfy teenage boys. Just like Tomb Raider Lara Croft, she finds herself under the game player's control, but that's where the similarities end as she is caught up in games where she must express her sexuality in ways she never could when she was alive. Drawing on imagery from Japanese hentai adult cartoons, "Slave To The Machine" is fantasy for grown-ups who still like to play games.
