Reviews

It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

TYRANNOSAURUS WRECKS

Abrams Books for Young Readers. Hardcover. Book Condition: New. Zachariah OHora (illustrator). Hardcover. 32 pages. Dimensions: 11.7in. x 8.1in. x 0.4in. In this read-along picture book, a classroom full of young dinosaurs plays with toys, does art projects, and reads books. But each activity is another opportunity for the over-enthusiastic Tyrannosaurus Rex to wreak havoc. Parents and young children will love the call-and-response nature of the book, and young dinosaur fans will appreciate the listing (and pronunciation guide) for a dozen different dino species. The format is extra vertical in order to accommodate T. Rex's biggest messes. Praise for Tyrannosaurus Wrecks Punchy writing, an equally in-your-face palette, and OHoras characteristically brash painting style make this as much a stompalong as a readaloud. --Publishers Weekly Along with the pleasure of pronouncing those multisyllabic dino names, young audiences may find food for thought in the behavioral dynamics on display. --Kirkus Reviews Warmly colored with childlike bodies and emotive faces, OHoras dinosaurs are among the cutest you will come across in childrens books. --Booklist The brief rhyming text, which scans well, tells a story with child appeal. There is a good balance of two-to-three word sentences with large, uncluttered illustrations, making the book a good choice for reading aloud. In their simplicity, the brightly colored pictures have the look of childrens art, but they enhance the classroom setting appropriately with interesting details. --School Library Journal The shapely dinos, whose rough charcoal-style outlines and strong colors vividly contrast with the white or sometimes black backgrounds, are chunky and friendly in an eight-crayon-box color scheme and snazzy Peanuts-reminiscent outfits. --Bulletin of the Center for Childrens Books Together the chanting rhythm, ragged lines, and setting of an un-chaperoned dinosaur class create a satisfyingly high-energy, primal read-aloud strongly reminiscent of Bob Sheas Dinosaur vs. series. --The Horn Book...
