This is the Participant Guide for the Four Views of the End Times DVD-based small group study. What does the Bible actually say about the end times that lead to the return of Jesus Christ? The differing ideas that divide believers into four major points-of-view are examined in this Four Views of the End Times DVD-based small group study. This new six-week study shows four different Revelation time lines and tackles Dispensational Premillennialism, Postmillennialism, Historic Premillennialism, and Amillennialism. For each view, the study includes a definition, supporting Scriptures, a time line of the view's popularity, and a sampling of Christian leaders supporting that view. Common questions and answers are handled as part of each session, so you don't need to be the expert. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
