PROGRAMMING PEARLS (PAPERBACK)

Pearson Education (US), United States, 1999. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Implementations of all the programs, in C or C++, are now available on the Web. What remains the same in this new edition is Bentley s focus on the hard core of programming problems and his delivery of workable solutions to those problems. Whether you are new to Bentley s...
