Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Our War With Germany: A History The participation of the United States in the great war is one of the rare historical events that give direction to the progress of the world. The self-governing states of Europe were struggling for life and the greatest republic in the world went to their assistance at the critical moment. A century ago the American people first proved that republican government can succeed in a first rate nation. It was as fitting as essential that they should have interfered to preserve it in time of danger. It is in this sense that the future historian will make up his opinion of our part in the great struggle. When the passions of the day subside, the American people will come to this view of the subject. They will not ask very closely about the errors committed in the conduct of the war, but they will wish to know what the world crisis was, how the nation as a nation met it, and how the people now living adjusted themselves to the problems growing out of the war when it was won.
