Chic & Unique Flower Arrangements: Over 35 Modern Designs for Simple Floral Table Decorations

By Julie Collins, Tina Parkes

David & Charles. Paperback. Book Condition: new. BRAND NEW, Chic & Unique Flower Arrangements: Over 35 Modern Designs for Simple Floral Table Decorations, Julie Collins, Tina Parkes, Create your own beautiful floral table arrangements with expert advice from this team of master florists, brimming with professional expertise and the desire to share it. Featuring over 35 designs in a wide variety of styles, each flower arrangement is beautifully photographed to provide maximum inspiration for your floral designs. Step-by-step guidance on how to create each flower arrangement is given, with tips and techniques for working with silk flowers as well as fresh cut flowers. A helpful techniques section explains all the essential concepts of flower arranging, including soaking foam (oasis), selecting flowers, handling and conditioning flowers, advice on using containers and advice on the best flower arranging tools. The projects in the book are presented in three skill levels so you can start at Level 1 with simple table centrepieces and work up through Levels 2 and 3 to create more ambitious floral designs. There are flower arrangements to suit many different occasions including weddings, Christmas, vintage tea parties, mother's day, birthdays, family get-togethers, dinner parties and more, in a diverse...
