Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How does Art transform and heal? Exhibition Catalog The collective group of artist s in MUSE: The Art of Transformation and Healing exhibit reveal a rich tapestry of reverence and ritual. We have brought together an eclectic international and multigenerational group of artists, who swim in the realms of art as an alchemic force. The art it self is the embodiment of healing. As one enters the sacred vessel(the gallery exhibit) that has been created through the archetypal evocation of the MUSE, the relationships between the artwork and the viewer are visceral and palpable. The exchange is dynamic. MUSE is an enchanting offering of the art of healing, that inspires all to dance in the realms of art as form of empowerment and knowing. The intention for this Arts and Healing Exhibition is to harness the power of art, to create a deeper engagement and to shift the world s attention towards empowerment, transformation and healing through Arts. The ultimate goal of the MUSE exhibit is to inspire, activate, educate and integrate Arts and Healing into our daily lives and systems.
