BRM V16

Veloce Publishing Ltd, UK, 2006. Hardcover. Condition: New. Dust Jacket Condition: New. First Edition. 96 pages. Available Now. Book Description: Few cars of any kind have a more exotic and exciting reputation among enthusiasts than the first BRM, a 16-cylinder wonder machine that was a bright beacon of promise in Britain's drab post-war years. The great Alfred Neubauer inspected in its early stages at the primitive Bourne works and told Raymond Mays that such a complex car would never succeed with the inadequate resources available. Some of the responsibility for the over-complexity may rest with Laurence Pomeroy, a past President of the Club who postulated a...
