Cornerstone, United Kingdom, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Bridget Christie is a stand-up comedian, idiot and feminist. On the 30th of April 2012, a man farted in the Women s Studies Section of a bookshop and it changed her life forever. A Book For Her details Christie s twelve years of anonymous toil in the bowels of stand-up comedy and the sudden epiphany that made her, unbelievably, one of the most critically acclaimed British stand-up comedians this decade, drawing together the threads that link a smelly smell in the women s studies section to the global feminist struggle. Find out how nice Peter Stringfellow s fish tastes, how yoghurt advertising perpetuates rape myths, and how Emily Bronte used a special ladies pen to write Wuthering Heights. If you re interested in comedy and feminism, then this is definitely the book for you. If you hate both then I d probably give it a miss. Christie is adept at turning on a sixpence between being comical, or serious, or both at once, and at pricking her own earnestness. Telegraph ` Christie piles derision and tomfoolery upon everyday sexism, while never pretending that jokes alone will solve the problem. Guardian.
