## JUANITA S STATUE (PAPERBACK)

Broadway Play Publishing Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a Spanglish-speaking land, Juanita disguises herself as a man to escape the wrath of her lover Ignacio s father. Masquerading as a new Don Juan, she careens through the city and seduces Alejandra, a wealthy art collector, Tomas, a leather bar patron and Beatriz, an innocent, society bride, who all fall instantly in love with him/her. Juanita s romp soon lands her squarely at the feet of Don Juan himself as she struggles to find true love. The power of language creates worlds, realms and most importantly, relationships . that power is evident as Juanita, a young woman living in a Spanglish-speaking land, tries on a different persona in order to escape from her lover s angry father and potential shame in her community. - Elaine Noble, Nevada Today Throughout the play, Don Juanita draws more and more attention to herself, attracting the love and care of a multitude of people along the way. The social aspects of the play are fascinating because Juanita basically tries to deconstruct what being a Don Juan is and strives to create a better version of him. -Juan Lopez, The Nevada Sagebrush.
