Bible stories are not fairy tales, but real stories. They told us what happened before. Reading them will help us understand God and us better. It is God's desire to let everyone know Him, since Bible is God's word for us. Volume 3 of this book covers the stories from the Book of 1st Kings to 2nd Chronicles. After reading these stories, we can reach following conclusion: God is the only real God, mighty and noble. There is no other god in this world can compare with Him in power and wisdom. No matter we know Him or not, we are under His authority. Knowing God is a life or death decision.
