FAQ s in MFC and MFC Solutions: Volume 1

By Dr P G Naik

Arizona Business Alliance, United States, 2010. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book ***** Print on Demand *****. FAQ s in MFC and MFC Solutions is intended for the audience who have just started learning MFC and desire to learn more of MFC internals. The purpose of the book is to change the way one thinks, which is more challenging than learning the syntax of a programming language. Learning when and why one should use a particular feature is much harder than learning its syntax. Teaching and learning how to combine features and why to combine them is still harder. This book is more application-oriented giving the reader a specific advice and directions at each step to help him/her properly use MFC by inducing object-oriented way of thinking. About the Author Dr. P. G. Naik is currently working as a Sr.Lecturer in department of computer studies at Chh.Shahu Institute of Business Education and Research, Kolhapur. Her academic credentials are distinctly different. She has completed M.Sc. in Physics with specialization in Solid State Physics and M.Sc. in Mathematics with topology and differential geometry as areas of specialization from Karntak University, Dharwad and secured a...
