SUSTAINABLE LIFESTYLE DESIGN: HOW TO NOT SCREW EARTH OVER IN YOUR CONQUEST TO LIVE RICH (PAPERBACK)

Emily Uebergang, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you struggle with feeling like you have lost control over the direction of your life? That what you do accounts for nothing? You've worked hard. You have money in the bank (or maybe you don't) and yet, a deep disconnection from the world bubbles inside you. You're left wondering what happy juice others are drinking that you seem to have missed out on. Too many people attempt to feel self-worth, freedom, and happiness in pursuit of financial wealth. The elusive pursuit of a rich life is crushing the planet in unimaginable ways. It's time to jam the wheel of your mindless consumption and turn soul-crushing lifestyle choices into a modern sustainable life. Imagine a life where you thrive in good health, have the time to do what you love and contribute to a better world. Sustainable Lifestyle Design reveals a step-by-step plan you can use today to save money, lower your carbon footprint, reclaim your health and live a truly richer lifestyle. It feels good to help the planet and as you'll come to discover, it feels incredible to take back control of your own life. In this book you'll discover how to: - Find peace with what and how you eat so you don't feel the guilt every time you pick up that fork - Shake your self-destructive habits that leave you drained of energy and feeling miserable facing each day - Connect the dots between how you can help the world by helping yourself first - Walk away with a positive attitude and direction for how you can be the catalyst of change and create the world that you want to...
