RED WHEEL/WEISER, United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. Learning the Tarot is a complete course on how to use the tarot cards for personal guidance. The 19 lessons in the course cover the basics and then move gradually into more advanced concepts. Exercises and sample responses for each lesson help you learn and practice. For simplicity, only one easy layout is used throughout the course - the Celtic Cross Spread. Learning the Tarot focuses in detail on the actual process of discovering meaning in the cards. Lessons cover topics such as how to consider one card by itself, how to look for card pairs, and how to create the story of a reading. A convenient reference section contains two pages of information for each card including a picture from the popular Waite deck, a description, keywords, action phrases and suggestions for cards with similar and opposite meanings.
