

## The Punished (Paperback)

Filesize: 8.09 MB

### **Reviews**

*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
(Jaelyn Johns DDS)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Don't tell me what I can and can't write about. This is a book about gender politics, a coming of age novel about two women who take on the establishment that wants to silence them. Cy Forrest has crafted a story filled with intrigue and surprising turns and once the reader is introduced to the characters, there is no way they'd want to miss a moment with them. I was most attracted to Gin, a well-developed character, and readers will be interested to discover her subtle transformation from an effervescent young woman to one more mature and calculating, risking a lot for patriotism. The writing is awesome and the pacing measured. I enjoyed the dialogues, the well-developed setting, and the balanced and deft writing. The Punished is, without doubt, a work of great entertainment, a book with great psychological allure and emotional depth. I came away with a new understanding of the world generally - which is one of the most wonderful things a book can do - namely how real lives get relegated to the past and what is remembered, whilst factual, barely scratches the surface of feeling what it was like to be one of these people in such extreme circumstances. We are fallible, partial and we see the world through our own filters. Added to that, forces are at work to deliberately obfuscate and bury the truth and ultimately, the full picture is forever out of our reach. However, this story allows one person to see a greater whole: the reader, which I think is an immensely powerful possibility.
