This subjectivity demands penetration among the people for the understanding of the law. and the law put forward special requirements. It requires that the area of ??the field of liability and dispute resolution in the field of rights. and comprehensively implement the principle of subjectivity. The principle of subjectivity is a concrete manifestation of the law for more emphasis on competition in the discourse of rights. monologue. non-equality. to organize such factors. in the field of liability greater emphasis on fault. reciprocity. and vent their anger in the dispute resolution more Stressing the dualistic thinking against thinking as well as the past tense thinking. Despite the legal subjectivity support modern society also stressed that factors such as tolerance and cooperation. coexistence and symbiosis. but dominated by the former. However. the main support of modern society. set the internal logic of the law. both in theory and in practice there are many problems. and in the twentieth century and gradually exposed. Especially after the mid-twentieth century. the laws become more and more rules rule the tools. the warmth side it has a tool to vent their anger. the law has cold side concealed. Such a reality has increasingly been criticized by...
