

Les Faucheurs de la Mer (Paperback)

Filesize: 1.19 MB

Reviews

It in a of the best book. Indeed, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sofia Yundt)

LES FAUCHEURS DE LA MER (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Frucho de mar, fruits de mer, dit-on a Marseille de ces bizarres representants de la faune mediterraneenne, piades-suberites, violets, oursins, lithodomes, etc., qui grouillent au soleil sur les dalles du Vieux-Port ou que l ingeniosite des restaurateurs dispose methodiquement sur des lits d ulves vertes, entre des flacons de vinaigre et des tranches de citron, aux devantures de leurs etablissements. Et l appellation est aussi juste que gracieuse. De fait, la piade-suberite ressemble a une orange; le violet a une figue de Barbarie; l oursin a une chataigne; le lithodome a une datte confite. Fruits etranges des vergers de la mer, muris sous l enorme vitrage de ses eaux ! On les rencontre aussi dans la Manche et l Ocean; mais ils jouent un role plus efface dans l alimentation des riverains; l oursin, par exemple, tres abondant sur les cotes bretonnes, n est recueilli qu en careme, ou ses ovaires d un beau rouge, meles a la pate des crepes, font office de jaune d oeuf.
