

Becoming Woman.: A Journal of Personal Discovery (Paperback)

By Patricia Leonard

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is intended to wake you up and give you a chance to choose to grow into the woman you have dreamed of becoming if you discover you have unlive d dreams and goals. After all, living is a process. It is never too late to become the woman you desire to be. BECOMING WOMAN is focused on exploring who you are at the present time, who you desire to be in the future and understanding that you have the power to make that desired transition happen. All change and growth begins with an assessment of the present and a vision of the future. Regardless of what your vision is for the future, it is imperative that you become clear about your what and your why to ensure a successful journey ahead. This book is intended to prompt you to briefly slow down and evaluate your life journey so far, not for criticism, but for celebration in looking back and for inspiration in looking forward. The premise of this book is that life is to be lived with your eyes wide...
