Rebellious American heiress Zoe Gifford has done almost everything to break society's conventions--except get a divorce. Bound by her father's will to marry before she can access the fortune she desperately needs to save her mother, Zoe strikes a deal with charming British aristocrat Sebastian Hazelton--not knowing it will change the course of her life forever. Once in England, her foolproof plan to wed, inherit and divorce proves more complicated when Zoe meets the austere Nigel Hazelton, Duke of Langford. Still reeling from the Great War, Nigel is now staging a one-man battle against a rapidly changing world, and outspoken Zoe represents everything he's fighting against. When circumstances compel Zoe to marry Nigel rather than his brother, an unexpected--and uncontrollable--passion turns their marriage of convenience into so much more. But can a man fixated on the past and a woman fighting for the future find love in each other's arms?
