SIMON SCHUSTER, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Jennifer Weiner's richest, wittiest, most true-to-life novel yet tells the story of three very different women as they navigate one of life's most wonderful and perilous transitions: the journey of new motherhood. Becky is a plump, sexy chef who has a wonderful husband and baby girl, a restaurant that received a citywide acclaim -- and the mother-in-law from hell. Kelly is an event planner who's struggling to balance her work and motherhood while dealing with unemployed husband who seems content to channel-surf for eight hours a day. Ayinde's basketball superstar husband breaks her trust at her most vulnerable moment, putting their new family even more in the public eye. Then, there's Lia, a Philadelphia native who has left her Hollywood career behind, along with her husband, and a tragic secret to start her life all over again. From prenatal yoga to postbirth sex, Little Earthquakes is a frank, funny, fiercely perceptive take on the comedies and tragedies of love and marriage.
