Did your aunt ever get drunk at the holidays and call everyone in your family motherfrs If so, you will love this book. If not, you will especially love this book. Meet the Applewhites in the 80s, a clan of Brits transplanted to New York City. Reebee, a fat seven year old with a penchant for lying and a fear of poltergeists, is the unwitting chronicler of the Applewhites many maladaptations. Through Reebees eye for absurdity with compelling touches of humanity, we meet- her young mother, a chain smoker with a foul mouth and model looks, her mothers Italian immigrant boyfriend who is dangerously frugal, and married, her mothers stalker, an elderly cocaine dealer, and her mothers best friend, a portly Bronx woman who enjoys dancing Merengue and resolving problems outside of the law. The extended family court danger in their own highly idiosyncratic ways. Reebee cant swim, but she does learn to navigate life and her family, as revealed in the last chapter, a flash forward to 2012 that finds her with a law degree, living in Uruguay with a Mr. Universe runner-up, who she runs away from. Back in NYC, Reebee moves in with her now youth obsessed mother, and a new Applewhite, her orphaned teenage cousin who is out of the closet and searching for his identity. We cant pick our families, but we can certainly pick on their insanity. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
