Hunting the Dark Knight: Twenty-first Century Batman (Hardback)

By Will Brooker

I.B.Tauris Co. Ltd., United Kingdom, 2012. Hardback. Condition: New. New. Language: English . Brand New Book. Publishing alongside the world premiere of Christopher Nolan s third Batman film The Dark Knight Rises , Will Brooker s new book explores Batman s twenty-first century incarnations. Brooker s close analysis of Batman Begins and The Dark Knight offers a rigorous, accessible account of the complex relationship between popular films, audiences, and producers in our age of media convergence. By exploring themes of authorship, adaptation and intertextuality, he addresses a myriad of questions raised by these films: did Batman Begins end when The Dark Knight began? Does its story include the Gotham Knight DVD, or the Why So Serious viral marketing campaign? Is it separate from the parallel narratives of the Arkham Asylum videogame, the monthly comic books, the animated series and the graphic novels? Can the brightly campy incarnations of the Batman ever be fully repressed by The Dark Knight , or are they an intrinsic part of the character? Do all of these various manifestations feed into a single Batman metanarrative? This will be a vital text for film students and academics, as well as legions of Batman fans.

Reviews

The most effective ebook i at any time study. It can be writer in easy words and phrases and not difficult to understand. I am just pleased to let you know that this is the finest publication i have read within my individual lifestyle and could be he finest publication for at any time.

-- **Tania Mosciski**

Simply no phrases to describe. It is amongst the most awesome pdf we have read through. Your life period will probably be transform as soon as you complete looking over this publication.
