Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altered the way I believe.

FEATHERING DEEP (HARDBACK)

Texas Review Press, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Parsons third collection of poems, as in his previous books, carries the reader too many geographies, both physical and cerebral. The poems, perhaps his most eclectic and revealing, return to Austin, Texas, in the turbulent and carnal sixties, the sublime Hill Country streams, north to Montana s Mystic Lake and hallowed Indian battle grounds, and with the deftness of a wise and worldly guide, you will travel the tender valves of the heart, where all creativity finds its passion, to the very quay, that zone between reality and the possible, what Garcia Lorca called duende. FEATHERING DEEP After Edward Hirsch s The Angel and the Demon I believe it to be unlike any other conveyance the manner in which it carries us in upon its own silence the way an idea drifts into the grey divide where we find ourselves in that sacred state--easing quietly into the dark duende to unconscious understanding a lone canoe at midnight--blades paddling deep--smoothly and deftly feathering that largest of bodies.
