Brand New Book ***** Print on Demand *****.This Book Includes 3 Manuscripts How To Analyze People Master The Skill Of Reading Body Language And Enhance Your Life, Social Sphere, And Professional Situation What if you were able to tell when your colleague's smile actually mean that they were irritated with you? Would you change your tactics of negotiation if you knew how the person in your business meeting was really interpreting your suggestions? Obviously, the skill of reading people offers an amazing advantage, competitively speaking, both professionally and on a personal level. Most people want to think that they are already good at interpreting other people's body language signals, but the fact is that we aren't as good at this as we believe. Actually, studies show that technology might be getting in the way of our natural abilities to interpret emotions. In this book you will learn: The Advantages Of Analyzing People: Are you interested in the topic of analyzing people, but unsure of how it would help you in life? The introduction to this book, along with chapter one, will give you plenty of good...
