Berrett-Koehler. Paperback. Book Condition: new. BRAND NEW, Rebuilding Trust in the Workplace: Seven Steps to Renew Confidence, Commitment, and Energy, Dennis S. Reina, Michelle L. Reina, Are you feeling less engaged, less committed and more skeptical at work? Do you find yourself isolated? Or are you caught in the middle of co-workers' interpersonal conflicts? If so, you may be experiencing the symptoms of broken trust in workplace relationships. Small but hurtful situations accumulate over time into the confidence-busting, commitment-breaking, energy-draining patterns consistent with broken trust. Broken trust is simply the natural outcome of people interacting with one another. Everyone has experienced gossiping, missed deadlines, someone taking credit for other people's work and little white lies. You may have been hurt. You may have realized that you inadvertently let others down. Or, you may be wondering how to help others reeling from broken trust. No matter your vantage point, Dennis Reina and Michelle Reina's new book offers a proven seven-step process to heal pain and rebuild trust. This compassionate, practical approach will help you reframe the experience, take responsibility, forgive, let go and move on. Through healing, you will want to go to work again. You will feel safe to be more fully who you are and, once again give your organization your best thinking, highest intention, risk-taking and creativity. And in a place of self-discovery, self-trust and authenticity, you will connect more fully with others in your personal life as well While there have been many books on recovering from betrayal in personal relationships, this book is the first to focus specifically on the workplace, and the first to give equal weight to what to do when you have hurt others. This award winning book is firmly grounded in the Reinas' 20 years of rigorous research on trust and the...
