Now, follow him through the twists and turns of twenty-two bizarre tales, where odd is commonplace, little things make all the difference, and miracles are everywhere, if you know where to look: An office temp thinks he has the world s worst job, until he spends a day sitting in for the Devil. Stolen fruit provides sweet justice in a city ruled by magic. In a world where two minds can share the same body, running afoul of the law has horrifying consequences. A young woman discovers something growing in the fields outside her village--something wonderful.and terrible. Do the impossible. Change the future. Save the world. All you need is one odd little miracle.
